FOR RENT.—Store rooms, offices, and dwellings. Call on or address F. F. Rempel, Logan Ohio.

(Oct. 93-10)

Business Notice.

A new Subscription Book is opened. All subscriptions, except those paid in advance, will be dated from January 1st, 1894. Advance subscriptions will date from the time to which they were paid. The accounts of those in arrears will be made up to that date and payment respectfully solicited. There are hundreds of subscribers who have not paid for five, ten and fifteen years. I have not issued or renewed any copy. I realize how hard times have been, and I felt that the subscriber, when he had a dollar or so to spare, he would pay on his paper. I thought it no use to ask a man for money when most likely he did not have it to spare. I want the old accounts settled up in some way. If a subscriber would pay, I wish he would say so. If he feels he can't pay, I will forgive the debt. I do hope those who can and will, will do so now, or as soon as they can.

The old Subscription books will remain in the SENTINEL office.

LEWIS GREEN.

—Rug Higgins is spending the week among friends in Logan.

—Levi C. Wolf, was sent to the Epileptic Hospital for treatment, on Tuesday.

—Uncle George Green of St. Joseph's, is visiting friends in Logan this week.

—Col. Mandus Churchill, Supt. of the Zanesville Iron Works, was an attendant at the funeral of Mrs. Dr. Little.

—Mr. and Mrs. Chas Smith of Corning, were among the relatives from abroad attending the funeral of Mrs. Dr. Little.

—Rev. Rudisill preached a very excellent memorial sermon at the M. E. Church on last Sunday. The G. A. R. attended in a body.

The Baccalaureate sermon of our High School will be preached by Rev. Dr. Moore at the Presbyterian church on Sunday evening next.

—Frank Taylor, of Monday, 23 years of age, was adjudged insane by the Probate court on Tuesday, and will be sent to the Athens asylum.

—Communion Service at the First Presbyterian Church on Sunday morning next. Preparatory Lect. are Saturday 3 P.M. Standard time.

—Miss Georgia Hopley, the accomplished Editor of the Columbus School Journal, accompanied by her mother, are visiting among relatives in Logan this week.

—The Commissioners are in session this week as a Board of Equalization. The regular quarterly session for the transaction of business, begins next Monday.

—The High School Commencement will be held the evening of Monday June 4th. Admission 15 cents. Presents must be sent to the homes of the recipients.

—Mr. Camp Floyd of South Perry, has opened ice cream parlors in the pleasant village of South Perry, and those who visit there are invited to call. Picnics and parties supplied on order.

—Master Tommy Craig, one of the bright, handsome little boys of Athens, and Postmaster General accompanied by his father, T. C. Craig, Editor and P. M. of the village, was a visitor in the Queen city last week and made an inspection of the post office. He was heartily welcomed by the lady clerks, and his many excellent suggestions acted upon at once. The young ladies promise to make a return call when school is out.

Mr. Samuel Reichley has been appointed postmaster at Smock. The office was tendered him some six months ago, but he declined and only at the urgent request of neighbors, has he accepted. Sam is one of the old reliable of the Democracy, a good citizen and will make a first class, reliable postmaster. He favors extending the mail route from Smock on to South Bloomingville, passing either by Hatton's or Ash Cave. This would be a great convenience and would give South Bloomingville a daily mail from Logan, by changing the days of departure.

—It is pleasant to note that Miss Kittie Steinman, stenographer in the U. S. Pension office at Washington, has been promoted with an increase of salary from \$1200.00 to \$1400.00 per year. This is the highest promotion attainable by any woman in the service. Miss Steinman is one of our Logan's honored girls. She first obtained service under Gen. Rosecrans, and has continued in that department ever since, certainly winning honors and promotions. She has had no political influence to assist or advance her. She obtained her situation, a Republican girl, under the veteran Democrat, Gen. Rosecrans, some eight years ago, and by personal merit alone has maintained her place and won her promotions. The SENTINEL, with Kitty's many friends in Logan, join in hearty congratulations, and bespeak for her a pleasant career as long as she desires to continue in the service of Uncle Sam.

—Fourteen companies bid on the Salt Creek bridge.

—Fr. Cady of Columbus, was a visitor in Logan on last Monday.

—Decorations day has slightly retarded this issue of the SENTINEL.

—We missed the familiar sound of the fife and drum on Decoration day.

—Mrs. Webster, of Toledo, is the guest of Dr. and Mrs. Z. V. Rainy.

—Teachers Meeting at Delaware O. June 24 and 25. Half fare via C. H. V. & T.

—Isaiah Defenbaugh and wife, of South Perry, were business visitors in Logan on Monday.

—The Commissioners under the law met at the Auditor's office on last Monday for the purpose of selecting jurors for the ensuing year.

—Better and more of it (Cream and Butter) by using a "Baby" Cream Separator.—Sold by J. F. Wright, Worthington, O.

—The straw-berry and ice-cream festivals, held this week were well attended; the disagreeable weather considered.

—Mrs. Garber, of Greenfield, remembered in Logan as Miss Daisy Curtis, is visiting her Aunt Mrs. D. R. Bishop.

—The increase of Butter or Cream from a herd of 12 cows will pay for a No. 2 "Baby Cream Separator in 5 months.—Sold by J. F. Wright, Worthington, O.

—The Commissioners, this morning, let the contract for building the bridge across Salt Creek to the Hocking Valley Bridge Works Co. Lancaster, for \$1289.00, which is \$10.40 to the lineal foot.

—Commencing at once until further notice the C. H. V. & T. Ry will sell have fare tickets on all trains on Sundays. Remember only half fare to all points.

—The Strawberry Festival given on Tuesday evening by the Christian Endeavor on the lawn of Mr. John Rochester, was decidedly a success, both financially and socially. The dance around the May Pole was very prettily done by the children, and the music rendered by the Wilson orchestra added much to the entertainment.

—The "Baby" Cream Separator took highest honors at World's Fair. They are the "Pink of Perfection." Get one of these machines and then you are strictly in it.—Sold by J. F. Wright, Worthington, O.

—Sunday School Association at Dayton June 5th to 7th. For the above occasion the C. H. V. & T. Ry. will sell excursion tickets at half fare on June 4th and 5th good to return until June 8th.

—The Bucyrus Telegram, Mr. Hopley's paper, in a very happy article on the recent Editorial Excursion noting the incidents of the Banquet, has this pleasant mention of one of the staff of our contemporary:

—Mr. Mack now rose and stated, that, owing to the modesty of the toastmaster he might overlook a very bright speaker who was present, and he therefore desired to call on Miss Helen Purcell. A lady speaker was an agreeable surprise to all, and they were still more agreeably surprised when she not only rose, but delivered an exceedingly bright ten minutes speech. It was the scoring of one bright point after another, each of which brought down the house, and it was with the regret of all that she closed, having scored the success of the evening.

—The Cincinnati Commercial, of current date has this very pleasant mention of one of Logan's most accomplished daughters:

—The inclement weather yesterday afternoon had no unfavorable effect upon the audience that assembled to celebrate the anniversary of the Young Ladies' Christian Association, of the Mt. Auburn Institute. The drawing rooms were filled by the members of the society, the Faculty of the school, and a few invited friends. At 3 o'clock, precisely the first number of the exercises was announced to be a semi-chorus—embracing a solo by Miss Irma Wright, of Logan, O. The number was beautifully rendered, and sung with exquisite taste. The same young lady next rendered a solo upon the violin, accompanied by Miss Chinn, of Frankfort, Ky., on the piano.

—The vote at the special election on June 7, to relieve the Corporation treasurer from the loss occurring by the failure of the People's Bank should be unanimous. The corporation funds were deposited in the bank as had been the custom for years. At the time of the deposit the public had faith in the Bank's solvency. The Treasurer besides having the right to prefer his bank of deposit, was in the case under implied instructions to do so. At his election, and in preceding elections, an issue was made by the banks for the election of the treasurer. Mr. Holl was known as "The Peoples' Bank man," and his election was in the nature of an implied instruction to place the funds in that Bank. He could not in honor have done otherwise. The amount of additional tax to each of our fellow citizens will be but a trifle, the price of a cigar perhaps, and the release of Mr. Holl will remove from one of our most worthy young men the burden of a debt not his, and an obligation which was unavoidable. We hope to see the vote unanimous.

—The damage suit of Uriah Brown against the C. H. V. & T. Ry has been settled. Brown was injured in the fall of the river bridge. He brought suit and the jury awarded him \$10,000 damages. The case was appealed and the circuit court reversed, ordering a new trial. The case was pending this term but a compromise was effected, the railroad giving Brown \$2,500 in cash and work in the railroad service.
